HDMI - HDMI Video Cables

High Definition Multimedia Interface (HDMI) enables only one cable to deliver both high-definition video and multi-channel, digital audio to digital display devices such as HDTVs, plasma displays, LCD TVs and projectors. HDMI was specifically created for use on consumer audio /video products. It enables two-way communication between digital source and digital display devices, and find and set component compatibility to play in your system's optimum available formats.

Part #: **CP-HDMI2-1M** **UPC: 878742000134**
Package Dimensions: Depth: .55" Width: 5.85" Height 10.75" Weight: .20lbs

Part #: **CP-HDMI2-2M** **UPC: 878742000141**
Package Dimensions: Depth: .55" Width: 5.86" Height 10.75" Weight: .30lbs

Part #: **CP-HDMI2-3M** **UPC: 878742000158**
Package Dimensions: Depth: .55" Width: 5.88" Height 10.75" Weight: .60lbs

Part #: **CP-HDMI2-5M** **UPC: 878742000165**
Package Dimensions: Depth: .55" Width: 5.88" Height 10.75" Weight: 1.0lbs

Features:

- Delivers the best high-frequency response for optimal HDTV resolution
- Quad cable shielding isolates outside noise for superior signal clarity
- Twisted pair construction reduces cross talk and interference
- Integrated strain relief protects against wire damage
- Flexible PVC cable jacket maintains integrity in tight installations
- 24k gold-plated connectors deliver low loss and superior signal clarity
- Non-slip rubber grip and integrated color-coding

Package Contents:

- One HDMI-HDMI cable
